Madelia Community Hospital Foundation Awards Scholarships

Madelia, Minn. – The Madelia Community Hospital Foundation awarded three scholarships to area students who are pursuing degrees in healthcare.

The Yoshiko Masters Memorial Scholarship for \$1,000 was awarded to Andrea Sorenson of Madelia High School. Sorenson will be attending the University of Sioux Falls studying Radiologic Technology. This new scholarship will be awarded each year to a Madelia-area students who is interested in pursuing a degree in radiology or laboratory science. Funding was provided by a donation to the Madelia Community Hospital Foundation from Pam and Michael Masters, in memory of Yoshiko Masters, a former MCHC laboratory employee.

The MCH Foundation Healthcare Scholarship for Madelia was awarded to Jack Kortuem of Madelia High School. Jack will be attending the College of St. Scholastica to become a physician. This \$500 scholarship is awarded each year to a Madelia student who is pursuing a career in health care.

The MCH Foundation Healthcare Scholarship for Lake Crystal was awarded to Chloe Lantz of Lake Crystal Wellcome Memorial High School. Chloe will be attending the University of St. Thomas to study Physical Therapy. This \$500 scholarship is awarded each year to a Lake Crystal student who is pursuing a career in health care.

We are very excited to award these scholarships to such well deserving students from our community. We hope these scholarships will inspire and encourage students to dedicate their lives to helping others.

These scholarships are made possible due to the generous donations from the community and faithful Madelia Community Hospital & Clinic supporters. These scholarships are offered annually as a means of demonstrating our commitment to local healthcare and our youth.

###

About Madelia Community Hospital and the Foundation: Madelia Community Hospital is a private, nonprofit facility staffed by a team of physicians and medical professionals that is profoundly committed to providing health care of the highest standards to Madelia and surrounding communities. As a 25-bed acute care hospital, we offer all the primary health services, such as medical/surgical, obstetric, pediatric, emergency care and more. Over the years, we have proactively responded to the changing demands within the health care system, which has ensured our ability to deliver up-to-date medical

services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.

The Foundation was established in 2004 and is overseen by a Board of Directors. Madelia Community Hospital Foundation exists to be stewards of donations given to support of the state-of-the-art health services provided by Madelia Community Hospital. The Foundation, serves as the bridge between Madelia Community Hospital, its patients, area friends and supporters.

About Madelia Community Hospital & Clinic

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of physicians and medical professionals that is profoundly committed to providing health care of the highest standards to Madelia and surrounding communities. As a 25-bed acute care hospital, we offer all the primary health services, such as medical/surgical, pediatric, emergency care and more. In 2011, we expanded our services to include a family medical clinic which provides adolescent health, geriatric health, men's health, newborn health, pediatric health, preventative medicine and women's health. Over the years, we have proactively responded to the changing demands within the health care system, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
