## **Madelia Community Hospital Foundation 5K Run//Walk Results**

**Madelia, Minn.** – The Madelia Community Hospital Foundation 5K Run/Walk took place on Saturday, July 9<sup>th</sup> during Madelia Park Days. As in previous years, Anderson Race Management co-sponsored the event and provided the chipped race bibs, the start/finish line, snacks, and their race expertise. It was a beautiful morning for the 5K, and 104 people between the ages of 7 and 67 participated this year.

The female overall winner was **Jodi Hruby**, 32, of Alexandria, SD, with a time of 22:53. (This is the **third** consecutive year that Hruby has been the female overall winner of this race!) The men overall winner was **Mitchell Buerkle**, 15, of Springfield, with a time of 21:11. **Downs Food Group** won the **Most Participants Team** award. **Team Eiselt** won the **Fastest Team Award**. Thanks you to everyone that participated in the run/walk!

The Madelia Community Hospital Foundation 5K Run/Walk would not be possible without the sponsors, donors, supporters and volunteers that help to make this race happen. The Foundation is thankful for the help from these individuals and businesses. A full list of sponsors and donors is posted at [www.mchospital.org](http://www.mchospital.org), along with the full race results and photo album.

## **About Madelia Community Hospital & Clinic**

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of physicians and medical professionals that are profoundly committed to providing health care of the highest standards to Madelia and surrounding communities. As a 25-bed critical access hospital, we offer all the primary health services including: medical/surgical care, swing bed, home care, radiology, emergency care, urgent care, direct access laboratory and physical therapy, and more. Our attached family medical clinic provides care for acute illnesses, minor injuries, chronic disease management, physicals and immunizations, and preventive care for patients of all ages. Over the years, we have proactively responded to the changing demands within the health care system, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
