## **Madelia Farmers Market Opens in Madelia on June 13th!**

**Madelia, Minn.** -- The Madelia Community Hospital & Clinic is excited to again host and sponsor the Madelia Farmers Market. Farmers markets offer fresh-picked, seasonal produce from the farmers who grow it. Locally grown products are picked fresh and brought straight to the market and sold by the growers themselves. The food at a farmers market is healthier and tastes better!

This year the opening day for the Madelia Farmers Market will be on Wednesday, June 13<sup>th</sup>, due to the unusual weather this season. The Farmers Market will be open every Wednesday from 3:30 to 6 p.m. through the fall. Farmers will be set up across the street from the Hospital & Clinic on Drew Avenue. The Madelia Farmers Market is a cash/check only market; credit cards and EBT are not accepted at this time.

New vendors are always welcome! If you are interested in selling your produce or goods at the Madelia Farmers Market, call the Madelia Community Hospital & Clinic at 507.642.5225 for more details. There is no charge to participate.

*If you want to know where your food is grown, how it is grown, and who grows it, visit your local farmers market today!*
