Madelia Community Hospital Foundation Awards Scholarships

Madelia, Minn. – The Madelia Community Hospital Foundation awarded three scholarships to area students who are pursuing degrees in healthcare.

The Yoshiko Masters Memorial Scholarship for \$1,000 was awarded to Megan VanZandt, a Radiologic Technologist at the Madelia Community Hospital & Clinic (MCHC). VanZandt will be using the scholarship for board certification for the Computed Tomography (CT) equipment. This scholarship is awarded each year to a Madelia-area students who is interested in pursuing education or training in radiology or laboratory science. Funding is provided by a donation to the Madelia Community Hospital Foundation from Pam and Michael Masters, in memory of Yoshiko Masters, a former MCHC laboratory employee.

The MCH Foundation Healthcare Scholarship for Madelia was awarded to Allyson Missling of Madelia High School. Missling will be attending the University of Minnesota studying optometry. This \$500 scholarship is awarded each year to a Madelia student who is pursuing a career in health care.

The MCH Foundation Healthcare Scholarship for Lake Crystal was awarded to Nicholas Nachreiner of Lake Crystal Wellcome Memorial High School. Nachreiner will be attending South Dakota State University to study chiropractic. This \$500 scholarship is awarded each year to a Lake Crystal student who is pursuing a career in health care.

We are very excited to award these scholarships to such well deserving students from our community. We hope these scholarships will inspire and encourage students to dedicate their lives to helping others.

Healthcare scholarships are made possible through generous donations from the community and faithful MCHC supporters. The scholarships are offered annually to demonstrate our commitment to local healthcare and our youth.

About Madelia Community Hospital & Clinic

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of medical professionals that are committed to providing health care of the highest standards to patients in the Madelia area. As a 25-bed acute care hospital, we offer all of the primary health services: Laboratory, Radiology, Physical Therapy, Home Care, Emergency Room/Urgent Care, and Surgical Care. Our attached family medical clinic also provides care for patients in all the seasons of their life. Over the years, we have proactively responded to the changing demands within the health care industry, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
