About Madelia Community Hospital & Clinic

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of medical professionals that are committed to providing health care of the highest standards to patients in the Madelia area. As a 25-bed

acute care hospital, we offer all of the primary health services: Laboratory, Radiology, Physical Therapy, Home Care, Emergency Room/Urgent Care, and Surgical Care. Our attached family medical clinic also provides care for patients in all the seasons of their life. Over the years, we have proactively responded to the changing demands within the health care industry, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
