MCHC welcomes Jeff Mengenhausen as new CEO

Madelia, Minn. – The Madelia Community Hospital & Clinic (MCHC) is excited to welcome Jeff Mengenhausen as their new Hospital Administrator and CEO. Mengenhausen is replacing Candace Fenske who retired from the position in November. He started at MCHC on November 5, 2018.

Mengenhausen was previously the Senior Executive Director of the Heart and Vascular Institute at Regional Health in Rapid City, S.D. Prior to that position, he was the Chief Executive Officer of Crook County Hospital in Sundance, Wyo. and the Chief Operations Officer for Horizon Health Care in Howard, S.D. He also served as a U.S. Navy SEAL out of Virginia Beach, Va. for nine years. While in the military, Mengenhausen earned a bachelor of arts in business administration/management and a Master's of Business Administration/business operations (MBA) from American Intercontinental University. He is married to Crystal and they have three children, Emma, 12; Lily, 8; and Jaden, 5.

"I am excited to have the opportunity to partner with the Madelia Community Hospital & Clinic Governing Board and caregivers to continue to provide high quality health care and the best patient experience possible in our rural communities," Mengenhausen stated.

Mengenhausen has both large hospital system and rural healthcare experience, which is vital to be successful in this ever-changing healthcare environment. He is passionate on growing healthcare organizations and enhancing their services, to better serve their patients and communities. Mengenhausen is already collaborating with the governing board of directors and caregivers to find new and innovative services to bring to our communities.

"The Governing Board went through 100+ resumes and numerous interviews to find Jeff. We feel his experience and approach to healthcare are exactly what the Madelia Community Hospital & Clinic needs to move into the future," stated Dennis Arduser, Governing Board Chair.

About Madelia Community Hospital & Clinic

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of medical professionals that are committed to providing health care of the highest standards to patients in the Madelia area. As a 25-bed acute care hospital, we offer all of the primary health services: Laboratory, Radiology, Physical Therapy, Home Care, Emergency Room/Urgent Care, and Surgical Care. Our attached family medical clinic also provides care for patients in all the seasons of their life. Over the years, we have proactively responded to the changing demands within the health care industry, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
