About Madelia Community Hospital & Clinic

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of physicians and medical professionals that are profoundly committed to providing health care of the highest standards to Madelia and surrounding communities. As a 25-bed critical access hospital, we offer all the primary health services including: medical/surgical care, swing bed, home care, radiology, emergency care, urgent care, direct access laboratory and physical therapy, and more. Our attached family medical clinic provides care for acute illnesses, minor injuries, chronic disease management, physicals and immunizations, and preventive care for patients of all ages. Over the years, we have proactively responded to the changing demands within the health care system, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
