Bench Donated for Madelia Community Hospital & Clinic Tranquility Garden

Madelia, Minn. – The Madelia Lions Club donated a beautiful bench to be part of the new Madelia Community Hospital & Clinic (MCHC) Tranquility Garden. The bench was given in memory of Madelia Lions Club Deceased Members.

Shown here are several Lions Club members who gathered on a blustery November day to present the bench to MCHC Garden Committee members. Pictured from left to right are: Stacie Cook, Colette Stone, Jan Helling, Janet Dysthe, Laurel Peterson, Lois Peterson, Philip Murphy, Rosemary Murphy, Dr. Viktoria Davis, Dr. Jim Eiselt, Steve Davis, and Ruth Frederickson.

"The Garden Committee is very grateful for the donation of the bench. It is a wonderful addition to the garden, and a lasting tribute to the Lions club members who have passed away,” said Garden Committee member Stacie Cook.

The MCHC Tranquility Garden is being developed for the patients, families, staff and the public to enjoy. It provides a park-like setting and a place for serenity, comfort, and peace. The garden is a unique venue for family interaction in a calm, natural environment.

About Madelia Community Hospital & Clinic

Madelia Community Hospital & Clinic is a private, nonprofit facility staffed by a team of physicians and medical professionals that is profoundly committed to providing health care of the highest standards to Madelia and surrounding communities. As a 25-bed acute care hospital, we offer all the primary health services, such as medical/surgical, pediatric, emergency care and more. In 2011, we expanded our services to include a family medical clinic which provides adolescent health, geriatric health, men’s health, newborn health, pediatric health, preventative medicine and women’s health. Over the years, we have proactively responded to the changing demands within the health care system, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
