## **Madelia Community Hospital Foundation participates in Give to the Max Day on Nov. 12**

**Madelia, Minn.** – Madelia Community Hospital Foundation is one of many non-profit organizations throughout the state that will ask Minnesotans to display their generosity by donating to their favorite causes online during the seventh annual “Give to the Max Day” on Thursday, November 12.

To make a donation, donors just go to [www.givemn.org](http://www.givemn.org) and type in Madelia Community Hospital Foundation at the *Search for a Cause* prompt. Select Madelia Community Hospital Foundation and you will be directed to our donation page where you can schedule a donation.

Several incentives are offered to encourage donor participation during the Give to the Max Day:

- **Golden Ticket** – Every hour, one nonprofit donor will be randomly selected to have \$1,000 added to their gift. So, a \$10 donation could be as much as \$1,010 if your donation is selected for a Golden Ticket. That is 24 opportunities for you to help us receive an extra \$1,000!
- **One donation made on GiveMn.org** will be randomly selected at noon and at the end of Give to the Max Day to receive a \$10,000 Super-Sized Golden Ticket! The more gifts we generate on GiveMN.org on November 12, the more our chances increase to receive that additional \$10,000 donation.

Money donated to the Madelia Community Hospital Foundation will be used to support state-of-the-art health services provided by Madelia Community Hospital & Clinic. The Foundation, serves as the bridge between Madelia Community Hospital & Clinic, its patients, area friends and supporters. We are excited to bring this giving option to our community and to be a part of such an amazing giving day in Minnesota.

Give to the Max Day was created in 2009 to launch GiveMN, a collaborative venture led by Minnesota Community Foundation and many other organizations committed to helping make our state a better place. That initial spark touched off a blast of online giving — \$14 million in 24 hours. Since then, Give to the Max Day has become an annual tradition. Every year thousands of organizations and individuals generate donations and excitement for Minnesota causes that are working to improve the quality of life for all Minnesotans.

“Give to the Max Day has become a Minnesota giving holiday,” said Andy Goldman-Gray, interim executive director of GiveMN. “For 24 hours, thousands of organizations and individuals rally to support amazing and important causes that make Minnesota the best place to live.”

### **About Madelia Community Hospital & Clinic**

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of physicians and medical professionals that is profoundly committed to providing health care of the highest standards to Madelia and surrounding communities. As a 25-bed acute care hospital, we offer all the primary health services, such as

medical/surgical, pediatric, emergency care and more. In 2011, we expanded our services to include a family medical clinic which provides adolescent health, geriatric health, men's health, newborn health, pediatric health, preventative medicine and women's health. Over the years, we have proactively responded to the changing demands within the health care system, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
