

Chief Clinical Officer (CCO)

Madelia Community Hospital & Clinic (MCHC) is seeking a full-time Chief Clinical Officer (CCO). MCHC is an award winning, independent, level IV-trauma center and a quickly growing 25-bed critical access hospital with two clinics, two physical therapy clinics and a retail pharmacy. The CCO is responsible for clinical operations of the facility and serves as a key member of the executive team. We are seeking a strong, self-motivated leader with vision and the ability to gain commitment of others. This position will report directly to the Chief Executive Officer and must work effectively with administration, managers/supervisors, medical staff, Board of Trustees, and third party contractors, vendors, and purchasers of healthcare services.

MCHC was recently named one of the Top 20 Critical Access Hospitals in the country for Patient Experience through the National Rural Health Association.

Job Requirements:

- Direct oversight of all hospital surgeries, emergency department, home health, clinics, urgent care, radiology services, lab services, infection control, social services, nursing operations and quality/risk department. Direct oversight of 100+ caregivers.
- Participates in evaluation of current services and programs, proposed changes, and expansion of services and programs. MCHC is focused on steady and continuous growth.
- Strong leadership skills with vision and the ability to gain commitment of others.
- Champions patient-safety efforts to achieve Joint Commission “Leading the Way to Zero” standards.
- Comprehensive knowledge of clinical and nursing operations.
- Participates administratively in policy development and strategic planning.
- Maintains high clinical standards while creating an engaged working environment by introducing measures to foster collaboration.
- Has excellent communication, interpersonal, and team building skills, with a participative and empowerment management style.
- Maintains full compliance with the laws, regulations, grant terms, and MCHC policies. Ensures organization activities meet all applicable accrediting body standards and CMS Conditions of Participation. Actively avoids fraud, waste, and abuse. Seeks methods and activities to enhance MCHC revenues.

Licensure, Certification & Education:

- Registered Nurse (RN) (Required)
- Bachelor of Science in Nursing (BSN) (Required)
- Master’s Degree - MSN, MHA, MBA or other advanced degree or in progress (Required)
- 5 – 7 years of clinical nursing experience and 2 – 3 years’ experience in management (Required)
- Critical Access Hospital or Long-Term Care experience is a plus.
