

Family Nurse Practitioner – Clinic/ER/Hospital

Madelia Community Hospital and Clinic is seeking a full-time Family Nurse Practitioner (FNP) who is interested in providing care in a multi-discipline environment including clinic, urgent care, emergency department and inpatient/outpatient hospital setting. This FNP will provide comprehensive medical care encompassing everything from acute illnesses to complex health issues in patients of all ages in a rural community. The FNP will join a team of four other providers and work autonomously as well as collaborate with the lead Physician. Ideal candidates will possess strong clinical knowledge, excellent patient communication skills and a commitment to efficiency, quality of care and the best patient experience.

Will have 7-10 days of call per month, which includes one weekend. Currently partnered with Avera eCARE Emergency for a fast response and quick specialty intervention to help providers and patients achieve better outcomes and support.

- Casual status (flexible in coverage for Clinic, ER & Hospital)
- Slower pace, ability to practice in multiple areas (Clinic, ER and Hospital)
- Walk-in/Urgent care clinic averaging 8-12 patients per day
- 25 bed critical access hospital; 3-8 inpatients per week
- ER call coverage averaging 0-2 ERs per night
- Comprehensive Advanced Life Support (CALS), Trauma Nursing Core Course (TNCC) or Emergency Nurse Pediatric Course (ENPC)

Job Type: Full-time

Minimum Qualifications, Education and Experience:

- Masters prepared graduate of an accredited school of nursing and Nurse Practitioner program, DNP preferred.
- Ability to obtain Minnesota RN and APRN license and Certification as a FNP
- Family Nurse Practitioner certification from American Nurses Credentialing Center (ANCC) / the American Association of Nurse Practitioners (AANP), dual certification as Emergency Nurse Practitioner (ENP) desirable
- Ability to practice independently; 2+ years of experience preferred
- Current Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS) certifications
- Valid driver's license

Benefits:

- Competitive salary based on experience
- Tuition reimbursement
- Relocation reimbursement
- Full benefit package including: medical, dental, long term disability , CME reimbursement, retirement plan, paid time off and extended illness bank

About Madelia Community Hospital & Clinic

Madelia Community Hospital & Clinic is an independent, nonprofit facility staffed by a team of medical professionals that are committed to providing health care of the highest standards to patients in the Madelia area. As a 25-bed acute care hospital, we offer all of the primary health services: Laboratory, Radiology, Physical Therapy, Home Care, Emergency Room/Urgent Care, and Surgical Care. Our attached family medical clinic also provides care for patients in all the seasons of their life. Over the years, we have proactively responded to the changing demands within the health care industry, which has ensured our ability to deliver up-to-date medical services, purchase advanced medical equipment, and provide complete and compassionate care to all who enter our facility.
