• Direct Access Physical Therapy allows patients to have physical therapy performed without a physician order.

• A flat fee for Physical Therapy services is charged before your appointments at $70 per visit. Payment can be made with cash, check or credit card. Health insurance will not be billed.

• Direct Access services are ideal for patients who do not have healthcare insurance, or have high insurance deductibles and co-pays. It can allow individuals more control of their health care needs.

• MCHC also offers Direct Access to Laboratory testing too.
